**All Girls:** medium bun, bangs slicked back, no wispies; use lots of gel and hairspray

### **HOW TO MAKE THE PERFORMANCE BUN:** [Performance Bun Tutorial Video](#)

- Start with the hair wet, preferably **not** freshly washed, and **lots** of gel. Work lots of gel through all of the hair. Brush out with a fine bristled brush into a high ponytail.
- Follow the diagonal line of the chin to the back of the head. Where the hands meet is where the center of the ponytail should be. Always use ponytail holders that match the hair color of the dancer.
- Divide ponytail into sections. Thinner hair can be divided into 2 or 3 sections. For thick hair, 3 or 4 may be easier. Twist a section of hair, coiling the twisted piece around the ponytail and pinning with open hair pins as you go. Catch the outside edge of each section and flip the hairpin in tight. Repeat using each section of hair.
- Continue until all hair is coiled up, creating a rosette-style bun. Wrap hair net matching the dancer's hair around the bun and pin in place . If there are wispies, spray water onto the hair and slick back with gel, then brush back using a fine-toothed comb and secure with closed bobby pins that match the dancer's hair. Spray with extra hold hairspray.

MAKEUP

The stage makeup worn by dancers is special. When seen up close it may appear overdone, but when the dancer's face is seen from the audience under bright stage lights, it looks quite natural, and features and expressions can be clearly seen. The dancer in the center drawing is ready for the stage. She has completed her makeup, done her hair (which is pulled back in a chignon and securely fastened when necessary), and put on her headpiece and costume. The smaller pictures show a few of the steps in the application of stage makeup: (1) foundation, (2) powder, (3) mascara, (4) eye shadow, (5) completed eye makeup, (6) blush, (7) lip brush, and (8) completed lipstick.

sure you eat enough and drink plenty of water so your body has what it needs to perform. **Do not eat in costume or near the stage or auditorium!**

**Hygiene:** Deodorant, toothpaste, toothbrush, washcloth, body spray.

**Shoe Covers:** All shoes must be covered with socks or slippers. The school's floors are coated with wax that gets on shoes and makes the stage slippery and dangerous to performers. **Socks or Slippers must be worn at all times when not on stage or in the wings.**

**Pointe Shoe Accessories:** Have an extra pair of pointe shoes at all times as well as: calamine for shoes, extra ribbons and elastics, sewing kit, pointe shoe padding, baby powder.

**Gifts:** It is our tradition that the cast exchanges gifts with their group or partner on the last day of the show. It is a small thank you and a token of gratitude the dancers like to express to each other for all of their hard work as well as a nice encouragement to keep the energy up for the final performance!

**Activities:** Quiet activities such as coloring books, board games, cards, etc. should be brought as there will be times of waiting.

**Warm-up Clothes:** Bring plenty of warm clothes to wear over your costume as it is cold in the theater. Keep your feet covered at all times off the stage in order to keep your feet warm and the stage clean.
